

SUBJECT CATEGORIES FOR TAPPI STANDARDS AND TIPS

0100	Coating & Graphic Arts (General)		
0101	Basestock		
0102	Coating Additives	0600	Pulp Manufacture (General)
0103	Coated Paperboard	0601	Alkaline Pulping
0104	Coating Binders	0602	Fiber Raw Material Supply
0105	Coating Fundamentals	0603	Fiber Recycling
0106	Coating Pigments	0605	Mechanical Pulping
0108	Printing and Imaging	0606	Pulp Bleaching
0109	Specialty Coated Papers	0607	Sulfite & Semichemical Pulping
0110	Coating Process	0609	Nonwood Plant Fibers
0114	Fillers and Pigments Testing	0618	Wood Chemistry
0116	Technical Trends	0619	Biorefinery
0117	Calendering		
		0700	Research & Development (General)
0200	Polymers, Laminations & Coatings. (General)	0701	Forest Resources
0201	Flexible Packaging	0702	Information Management
0205	Extrusion Coating	0708	Paper Physics
0206	Hot Melt	0709	Research Management
0207	High Barrier Packaging		
0209	Film Extrusion	0800	Process and Product Quality (General)
0214	Plastic Laminates	0802	Chemical Properties
		0804	Optical Properties
0300	Corrugated Containers (General)	0808	Physical Properties
0301	Safety	0809	Pulp Properties
0302	Engineering	0810	Quality Management
0303	Productivity Improvement		
0304	Process Control & Quality Assurance	0900	Environmental (General)
0305	Production	0904	Environmental Management
0306	Flexo Printing and Graphics	0906	Water Quality
0307	Human Resource Development (Corrugated)	0907	Residuals Management
0308	Fiberboard Shipping Container Testing	0908	Air Quality
0309	Corrugated Board Technical Service		
		1000	Finishing & Converting (General)
0400	Engineering (General)	1004	Packaging
0401	Pulp & Paper Safety	1005	Shipping, Receiving, & Warehousing
0402	Corrosion & Materials Engineering	1006	Sheeting
0403	Training & Performance Development	1008	Winding
0404	Water Removal		
0408	Engineering Management	1100	Process Control, Electrical & Info. (General)
0410	Fluid Mechanics	1101	Process Control
0412	Material Handling & Industrial Engineering	1102	Electrical Engineering
0416	Steam & Power/Energy Management	1103	Millwide Control and Information
0418	Process Engineering		
0420	Maintenance & Mechanical Engineering	1200	Nonwovens (General)
0425	Yankee Dryer Safety and Reliability	1201	Nonwovens Binders & Additives
0430	Process Simulation	1202	Building & Industrial Mat
		1203	Nonwovens Properties and Performance
0500	Paper & Board (General)	1204	Nonwovens Filtration Media
0502	Papermakers	1205	Nonwovens Fibers
0506	Papermaking Additives	1207	Nonwovens Process Technology
0507	Microbiology and Microbial Technology		
0508	Stock Preparation	1400	Nanotechnology
0509	Paper Permanence
